Se Dice de Mi

-- Cortina: Don't Get Around Much Anymore --

5: Tango (à la Biagi)

Re Fa Si
Quiero Verte una Vez Mas
Cielito Mio
El Recodo

La Cumparsita

NOTE: This set list is a sample. It contains material that OST performs regularly. Upcoming performances may vary in song choices, tanda construction, etc. OST plays "Golden Age" songs, arranged in tandas (4 songs for tangos, 3 for vals and milonga) and separated by live cortinas. Any live performance by OST that closes the night will end with an arrangement of La Cumparsita that matches the proceeding tanda. If you have any questions, email Mari Black
